

DEEPBRIDGE
ADVISORY

IDENTITY SYSTEM / VERSION 1.0

Clear expertise.
Considered delivery.
One coherent DeepBridge identity.

The DeepBridge identity

The identity is calm, precise and international. It should feel like a specialist advisory firm: confident without being loud, modern without looking like a software product or high-volume recruitment brand.

PRIMARY PALETTE

Deep Navy
#071722

Bridge Aqua
#43D0C7

Soft Aqua
#A9E9DF

Advisory Ivory
#F5F4EF

Slate
#56666C

TYPE SYSTEM

Georgia / editorial authority

ARIAL BOLD / NAVIGATION AND LABELS

Arial Regular / body copy, forms and operational documents

Logo use

Use the primary lockup whenever space permits.

COMPACT MARK

Use the monogram for favicons, profile images and small-format applications. Never combine it with the old gradient DB icon. Preserve clear space equal to one quarter of the mark's diameter.

Applications and naming

PUBLIC BRAND

DeepBridge Advisory

Use on the website, proposals, presentations, email signatures, client and consultant communications, and social profiles.

LEGAL ENTITY

DUSTDEEP LTD trading as DeepBridge Advisory

Use in contracts, legal notices, invoices and formal footers where the contracting entity must be clear. Do not use DUSTDEEP as the headline-facing advisory brand.

DOCUMENT FOOTER

DUSTDEEP LTD trading as DeepBridge Advisory | Company no. 16775578 | Registered office: Kemp House, 152-160 City Road, London, EC1V 2NX

CONSISTENCY CHECK

Use only the supplied logo assets. Keep navy, aqua and ivory dominant. Avoid gradients, glossy effects, generic stock imagery and competing blue brand marks. Keep the tone clear, selective and delivery-led.
