

CLIENT DELIVERY ALIGNMENT

Programme kickoff

A focused briefing template for specialist assignments and team build-outs

Client	[Organisation]
Programme	[Programme / workstream]
DeepBridge lead	[Name / email / phone]
Kickoff date	[Day Month Year]
Document owner	[Name and role]

What success looks like

[State the programme outcome, the reason support is required now and the decisions or deliverables that will define success.]

Required expertise	[Role, capability and seniority]
Deliverables	[Specific outputs and milestones]
Programme stage	[Discovery / design / build / test / cutover / stabilisation]
Location and travel	[Working model and onsite expectations]
Target start / duration	[Date and expected term]
Commercial parameters	[Approved range / structure]

Kickoff checklist

Status	Item	Notes / owner
[]	Scope and outcomes agreed	[Owner / date]
[]	Stakeholder and interview panel confirmed	[Owner / date]
[]	Working model and travel clarified	[Owner / date]
[]	Commercial approval confirmed	[Owner / date]
[]	Compliance and onboarding requirements identified	[Owner / date]
[]	Interview and decision timeline agreed	[Owner / date]

Status	Item	Notes / owner
[]	Start-date dependencies identified	[Owner / date]

Stakeholders and communication

Name	Role	Decision / input	Cadence
[Insert]	[Insert]	[Insert]	[Insert]
[Insert]	[Insert]	[Insert]	[Insert]
[Insert]	[Insert]	[Insert]	[Insert]
[Insert]	[Insert]	[Insert]	[Insert]

Risks, dependencies and open questions

Programme dependencies	[Systems, data, teams, approvals]
Delivery risks	[Known constraints or uncertainties]
Open questions	[Items requiring resolution]
Escalation route	[Client sponsor and DeepBridge contact]

ADVISORY BOUNDARY Engagement structures and assignment-specific compliance requirements should be reviewed with appropriately qualified legal, tax, immigration or employment-status advisers where necessary.
